ANCESTRAL ROSAT 26

SPARKLING ROSÉ · MÉTHODE ANCESTRALE

750ml
12,4 Alc.% vol.

Wild fermentation
Unfined | Méthode Ancestrale
Handpicked organic grapes

A sparkling rosé natural wine made using the méthode ancestrale, ***from Merlot grapes.***

Hand-harvested without herbicides or pesticides, with spontaneous fermentation and a second fermentation in bottle; unfined, unfiltered and hand-disgorged. Fresh and lively, with the characteristic saline influence of the Mediterranean sea breeze, a fine bead, delicate red fruit and a dry, mineral finish.

About Vinyes Mas Pagès

Vinyes Mas Pagès is a small winery in the Empordà, on Spain's Costa Brava. We cultivate 3.5 hectares of vines without chemical pesticides or artificial fertilizers. From harvest to bottling, every wine is made on the property, reflecting our commitment to the land and small-scale winemaking.
